Science departments have high demand ratio. But actual enrollment is very low Science department seats remained vacant up to the last year. Due to the efforts taken by the administration in canvassing the school students, it seems that they have shown interest to join Science courses at present. Commerce , Economics and Tamil have full strength over the years

7. Alumni Contribution

Status during 1st Cycle The college had no Alumni Association

Present Status

The College has an Alumni association and it has a glittering galaxy of eminent people from all walks of life.

During the alumni meeting, students are encouraged to interact with alumni so that they can share their rich experiences in their fields and give their suggestions for updating the curriculum.

The long felt grievance of the students was to install the statue of Anna at the premises. Alumni Association has fulfilled the grievance by installing a majestic bronze statue of Late. C.N. Annadurai within the College.

10. Best Practices :

Status during the 1 cycle

1. Bilingual teaching

2. Blood Donation

Present status

I. Best practice

1. Bilingual Teaching

- **The students have come from schools where the medium of instruction is mother tongue viz. Tamil.**
- **This condition handicaps the students to understand the lectures in English**
- **The practice of Bilingualism stands as the most preferred teaching-learning methodology**
- **This is the main reason for low drop-out rate of this college.**

2. Developing core Competencies

- **developing the core competencies of students through soft skills development,**
- **Career guidance, counseling and student enrichment programmes**

3. Blood Donation

- **Donate Blood and Save lives.**
- **The practice of Blood donation has been promoted and fostered by NCC and NSS volunteers.**
- **Our students donate blood only to the poor and needy out of their empathetic response which stands as the best practice of this college.**
- **Several blood donation camps have been held periodically and this practice has been sustained for many decades.**

16.FEEDBACK FROM STUDENTS

Feedback from the students :

This college has made an attempt to collect feedback from the students for introspection .The questionnaire containing questions on various quality parameters such as quality of teacher curriculum , evaluation etc. were distributed to the respondents belonging to 2012-15 and 2013-16 batches of UG and 2013-15 batch of PG students . The number of filled in questionnaires which were received department- wise are given below.

This institution feels that students can become more responsible and sincere and develop a sense of belonging to this institution if they are given a chance to participate in the process. Consequently the feedback was collected. It reveals that the students have given a commendable report about the quality of teacher, curriculum and evaluation. The findings highlight the fact that some teachers have secured satisfactory scores. This needs to be looked into. Further the instruction in Tamil at school level brings difficulty for the students at college level where the medium of instruction is in English. This issue has to be taken up by the teachers attending the Board of Studies meeting at Pondicherry University. The introduction of a bridge course could help to reduce hardship of the students in this regard.

17.OTHER IMPORTANT ACHIEVEMENTS

- NCC and NSS awards
- Rural camps and other ISR activities
- Conduct of International Yoga Day
- Self –defence skills training for women
